

**CREATIVE MOVEMENT AND DANCE®**  
**2011/12 INFORMATION**

January through May

*Pre Ballet & Tap Ballet*

**HELD AT**

Classes start January 31, 2012

**PRE-BALLET**

**Mondays**

**1:15 – 2:00 (age 3)**

The class is a structured program designed for the early development of ballet and movement. It precisely meets the needs and limitations of pre-schoolers by providing a carefully paced sequence of exercises to develop physical conditioning with poise and grace. Since children naturally respond to music and movement, the activities are presented through music. In the program, children learn self-discipline, listening skills, coordination skills, left and right discrimination, patterns in movement, and pre-ballet. Top dance studios across the nation offer Creative Movement "Pre-Ballet" to age 3 students to enhance self-confidence and enthusiasm.

**TAP & BALLET**

**Tuesdays**

**1:15 – 2:00 (age 4—6)**

The class is divided with 20 minutes of tap and 25 minutes of ballet. Since ballet is the basis for all dance technique, the combination of both works hand in hand. The technical training is taught through ballet, which in turn helps teach the proper shifting of weight and patterns in movement for tap. Since children naturally respond to music and movement, all of the activities are executed to fun music.
