Coaches from Pure Tennis teach the Indoor Tennis classes at Kingswood. The main objective of these classes is to provide players of all ages and all levels a rewarding and enjoyable tennis experience where the coaching is serious but positive and fun. For more information about Pure Tennis go to: [www.puretennis.net](http://www.puretennis.net).

**Super Stars (ages 4-6)** introduces the exciting game of tennis with constant activity, colorful teaching aids, exercise and fun games to help keep children stimulated. We also teach team work while improving concentration and motor learning development.

**Future Stars (ages 6-9)** creates a more challenging and social interactive program for kids who are working their way up from Super Stars tennis. We combine groups of the same age and level to participate in team drills, fun exercises and tennis games.

**Spinners (ages 10-12)** introduces and refines tennis skills. First-timers will work on tennis stroke and fundamentals and enhancement skill of the forehand, backhand, approach shot, volley, serve and return of serve. There is an 8:1 student/pro ratio for all groups.
