Committee Chair's Report: Joan Holladay requested three replacement lights in the Scout Hut. She thanked Tom Bever for the donation of the conference table. A venture patrol was mentioned as an item for future discussion.

Chartered Organization Representative: No Report

Camping Chairman's Report: The April 1-7 canoeing trip has been cancelled since there were not enough adult leaders able to go. The date of the May trip was changed from the weekend of May 19 to the weekend of May 11-13, subject to PLC approval. This gives the boys the opportunity to better prepare for final exams. Health and Safety: Parents are requested to get updated medical forms to Rich Butera as soon as possible.

Treasurer: The Committee had voted in February to fund the fees for Troop 477 Scouts who attend Green Bar. This was a recommendation by Mike LaPrade. The Committee recommended that the Troop cap the amount at \$1000 per year and will check with Mike.

Community Service/Good Turn: Joan thanked all who helped at the recent church clean up day. The Scout hut looks great.

Advancements: Peter Bain suggested the possibility of sending regular, possibly quarterly email advancement reports to parents.

Equipment and Summer Camp: The Scout Hut looks great! The sign up date for summer merit badge classes is April 5. Deposits are due. Scout selections should be forwarded to Warren Martin.

Hospitality: The Troop usually has a late May Court of Honor. The PLC will discuss at their May meeting.

Training Chairman: There is a Training Committee Challenge available at www.atlantaBSA.com Joan encouraged Committee members to attend the Roundtable on the second Tuesday of each month at Briarcliff Methodist Church.
